Testimonials

“QualCode has provided excellent assistance during times of backlogs and staffing shortages. Not only have they been able to quickly accommodate our needs, but the quality of the work is superior. This is not easy for a company to accomplish, and we strongly recommended QualCode’s services”

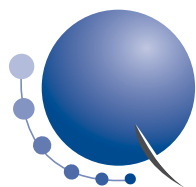

—GM, Director, HIM New York Methodist Hospital, Brooklyn, NY

“We have been outsourcing ASU coding to QualCode for a long time now, and I sincerely vouch for the company’s dedication to work, integrity and absolute prudent business decision-making acumen. QualCode is worthy of emulation.”

—MT, Director/HIM HealthAlliance at the Hudson Valley, Kingston, NY

“We have used Qualcode at Montefiore for many years. They provide an invaluable service for us in helping us keep our coding current and assisting us in our DRG assurance program. They are responsive to our needs, and their coding is of high quality. I would strongly recommend Qualcode as the solution to your coding needs.”
